LOCAL RULES PRETORIA COUNTRY CLUB

Suspension of Play (Rule 6-8 b or 33-2d) - A prolonged sounding of the course warning system is to signify there is lightning or other danger in the area and play and practice have been suspended in terms of Rule 6-8(a). Players on the course must mark and lift their balls in accordance with Rule 6-8(c) and discontinue play and practice immediately and if possible, promptly get off the golf course and the practice areas. A player may abandon play before the warning system has sounded Rule 6-8(a)(ii). Players may only resume play after the Committee has ordered a resumption of play by sounding the course warning system in repeated short notes.

At your own risk - All players use the golf course and the Club's facilities at their own risk and the Club shall not be held liable for any personal injury or incur any liability which may result from such use to whomsoever. The Club cannot warrant that any storm shelters on the course are safe from lightning strikes.

Out of Bounds (Rule 27-1) - Beyond all boundaries and areas demarcated by white stakes including the areas left of the 13th hole, right of the 15th hole, left of 17th hole, and left and beyond the 18th hole. Objects defining out of bounds such as fences and stakes are obstructions and are deemed to be fixed. A ball is out of bounds when all of it lies out of bounds.

Water Hazards (Rule 26-1b) - Dams, streams and wetland areas defined by yellow stakes.

Lateral Water Hazards (Rule 26-1c) - Dams, streams and wetland areas defined by red stakes.

Obstructions (Rule 24) - All satellite boxes, storm shelters, benches, ball washers, dustbins, water points, tee & hole indicators and artificially-surfaced roads or paths are immovable obstructions (Rule 24-2b).

Protection of young trees - Young trees are demarcated by stakes. Should such a tree interfere with a player's stance or the area of his intended swing, relief must be taken within one club length from the nearest point of relief.

GUR (Rule 33) - Ground marked by order of the Committee or so declared by its authorised representative. Flowerbed at 5th tee from which play is prohibited. If a player's ball lies in the area, or interferes with the player's stance or the area of his intended swing, the player must take relief.

Bunkers - Please enter and exit bunkers from lowest point and take care to protect steep bunker faces.

Dropping Zones - If a player's ball is unplayable behind the 15th green a player may drop the ball in the dropping zone under penalty of one stroke. (Rule 28).

Embedded Ball - An embedded ball through the green may be lifted without penalty, cleaned and dropped within one club length, not nearer the hole.

DISTANCE MEASURING DEVICES (Rule 14-3) - For all play at this course a player may use a distance measuring device (range finder) to obtain distance information. However, if, during a stipulated round, a player uses a device that actually provides him with information on other conditions that might affect his play (eg, gradient or wind), the player is in breach of Rule 14-3.

Additional Local Rules - For additional local rules consult the notice board.

IMPORTANT NOTICES

Boundary Fence - The Club's boundaries are protected by an electric fence that is dangerous to touch at any time.

Pace of play - Please adhere to the Guidelines set by the Committee and the Course Marshal's instructions, to avoid penalty.

MOTORIZED CARTS - ARE NOT ALLOWED BEYOND THE ROPELINE, PLEASE ADHERE TO DIRECTION MARKERS.
