Another year of squash at PCC is coming to a close, and it's been a great year! Although COVID-19 once again caused some delays, especially to the Northern Squash League, we've managed to hold and attend all our events planned for the 2021 year.

PCC entered 10 teams into the Northern Squash League this year. Our ladies' first team earned the bronze medal spot and finished third in the Northern Ladies League. Well done to our ladies first league team!

At the time of writing, our men's league sides were still battling it out in the semi-finals for a spot in the finals, which took place 9-12 November. We wish our men's league teams all the very best and look forward to seeing their final results for the year.

August 2021 marked our first ever PCC vs CCJ Day, where PCC hosted teams from Country Club Johannesburg. We battled it out in various sport sections to determine the ultimate winner. Teams had to consist of players

who participated in two or more sections (bowls, tennis, golf, squash and snooker). The teams were neck and neck throughout the day, but CCJ sneaked a win in the final event, taking the trophy home for the first year of this new tournament. Next year, we'll be bringing the trophy home to PCC. The highlight of the squash year is our Annual Club Champs, and this year we held our 60th Club Champs Tournament in October. The tournament consisted of seven main sections: Men's A Draw, Ladies' Draw, Men's Consolation Plate, Men's Veterans Plate, Men's Main Plate, Men's Veterans, and Men's Saucer. Some fantastic squash was played over two weeks, and the event concluded on 18 October with a prize-giving and braai. Congratulations to the winners of each section (see picture attached).

The Squash Section also hosted its first-ever Family Doubles Day at the 111th Anniversary Festival. Teams consisted of family members, and everyone had a day of fun and exercise. Congratulations to the winners of the tournament – Toann and Sven Claassen.
