

PRETORIA CLUB at Pretoria Country Club

Ring of Fire

Ring of Fire once again brought the heat to our members' social calendar.

At the end of a week of ice-cold and snowy weather, our members were more than ready for a sunny Sunday afternoon braai at PCC! Reckless Bones added to the ambience with some great tunes and an awesome vibe. It was delightful to see members gathering with family and friends to soak up the winter sun around the fires while socialising and enjoying themselves.

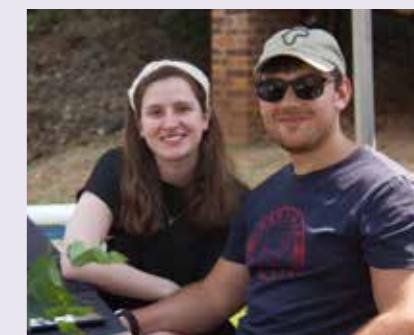

Springbraai

Our members were eager to shake off the winter cobwebs and celebrate the new season of spring in true South African braai tradition!

Almost 170 members, family and friends gathered to enjoy a spectacular Sunday afternoon braai with the beautiful PCC dam as our backdrop. Christopher Kearney was on point as he sang the Sunday blues away and entertained the crowd with his cover songs, while the kids had fun on the jumping castle or tried their luck at fishing.

All in all, it was a terrific day at the dam – celebrating the new season and enjoying the facilities and lifestyle that PCC has to offer.

Ring of Fire and the Springbraai are two of the many highlights on our yearly calendar and will most definitely feature again next year. Remember to book your spot early to avoid disappointment and join in the fun!

Wine & Wisdom Quiz Evening

The third quiz evening of 2023 was held on 30 August in the Carl Jeppe Room. Teams of four battled it out answering questions on various topics, such as history and geography, music, art and literature, science and technology, sport, and general knowledge. The quiz was compiled by Quizmaster Axel Trunk.

The next quiz evening is scheduled for 31 January 2024. Here are some typical questions that might come up:

1. Which Belgian king declared the area of the now DRC as his personal property in 1885?
2. What "O" is the Japanese art of paper folding?
3. Elton John's Candle in the Wind was originally dedicated to whom?
4. What part of the body is affected by myopia?
5. Duhan Van Der Merwe, WP Nel and Pierre Schoeman play test rugby for which country?

If you can answer three or more of those questions, you could do well! Why not put together a team and join in the fun?
