Growthpoint Interprovincial Tournament

PCC Squash proudly co-hosted the prestigious annual Growthpoint Interprovincial Tournament (IPT) in Pretoria. Kyle Potgieter, President of Squash South Africa, noted that, "This tournament secures a true home for friendships, camaraderie, sportsmanship and integrity." Thank you to everyone who contributed and assisted in showcasing PCC as the Club of choice for the 2023 IPT. The staff at PCC contributed to a successful tournament by going above and beyond to keep the facilities in top condition and assist the participants.

We proudly announce some excellent tournament achievements by PCC Squash members. Well done to the Northerns Women's B team on an outstanding achievement as winners of the Ransom Cup for the Women's B Section – with Ashley Weir, Nothando Ntimane and Monique Du Cruz as members. Reuel Videler received the award for the Most Improved Male Player. Helena Coetzee was included in the prestigious Best of the Rest women's team, based on her performance during the tournament. Well done to all the players on their achievements and flying the Northerns and PCC colours high.

The South African Country Districts (SACD) team won the prestigious Jarvis Cup for the Men's A Section by beating Northerns A in the final. The gentlemen in the picture are top-ranked SA players representing their teams as the number one and two players.

Woody Kaiser Squash Award

We are proud to announce that the Northerns Squash Association (NSA) awarded PCC Squash the prestigious Woody Kaiser Squash Award for 2023.

This award aims to distinguish between clubs that perform well in the higher leagues as opposed to the lower leagues. It is awarded to the club playing in the NSA Men's Winter League for the best overall performance. Pretoria Country Club again had the highest aggregate score (as in 2022) and was awarded the Woody Kaiser trophy for 2023!

Congratulations and thank you to all the PCC league players!

Well done PCC Squash!
